Department Updates

President's Update

- Presidential Regulation Number 4
 - Maritza Mohammed
 - “They got back to us with the updates of Presidential Regulation 4 and the changes they want to make, a lot of them are a mess in my opinion. They didn’t listen to what we said and what we wanted. A lot of the changes were things like they can withhold our levy and they now have the right to take away a college’s existence, which is all up to admin. It is not fully set in stone, I think the last day is May 27th so I will be sending the link where you can give your feedback please do this. If you do have any questions you can reach out to me or the incoming President. As a heads up for the people who will remain on council and for the incoming council members, please pay attention to what you do. York is making a lot of changes when it comes to YODA, SIRC, Presidential regulation 4 and in general how colleges work and interact with each other. I would pay attention to what you do and choose to do but always put the college first over what Admin wants.”
- Reimbursements/Payments
 - Maritza Mohammed
 - “I think everyone has handed in their cheque reqs for the year, if you do have any more, try to hand it in by tomorrow because I’m going to the VP Finances house to sign all of the cheques. If you can’t get it in my tomorrow let either me or the VP Finance know. If you do hand it in after tomorrow, there may be a delay in getting your cheques for the reimbursements. Please hand them in by the end of the month max, because we have an audit to do after this, so we need to have all the transactions done.”
